

INCLUSION SERIES

January to June 2027

Child Development Centre
206 Hanson Street

Using Visual Supports Effectively

January 14
6:00 - 7:30 PM

Become comfortable using visuals consistently, and explore practical ways to make them more meaningful, accessible, and useful for supporting everyday communication, understanding, and participation.

Register: <https://forms.gle/3EQUJYF83sX3Ja8i7>

Supporting Smooth Transitions and Routines within Routines

February 18
6:00 - 7:30 PM

Discover practical strategies for building predictability, reducing uncertainty, and supporting children to move more successfully through their days.

Register: <https://forms.gle/zRgLw66ncon2a1zKA>

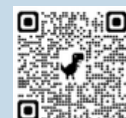

Connection, Communication and Collaboration with Families

April 7
6:00 - 7:30 PM

Build meaningful partnerships with families and explore practical ways to strengthen relationships, navigate differing perspectives, and work together in support of each child.

Register: <https://forms.gle/LtT5iq3Mxww6FJU86>

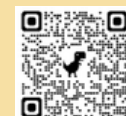

Creating Language Rich Early Learning Environments

May 13
6:00 - 7:30 PM

Learn how to intentionally use spaces, materials, routines, and interactions to create environments that invite conversation, connection, and meaningful language use.

Register: <https://forms.gle/u2z2baY3eyExoEWYA>

Celebration of Quality Inclusion - June 3

An evening honouring educators and early learning programs who have committed to increasing quality inclusion and professional learning through use of pyramid model strategies.

Register: invitation only

There will be a zoom option for community ECEs.
Your ELPS coach will send the link to you closer to the workshop date.
